

## **Chapter 13 Bankruptcy Workshop**

The Standing Trustees of the Western District plan to conduct a Chapter 13 Bankruptcy Workshop on Friday, September 23, 2011. The workshop will not be CLE-accredited. There will be no charge for attendance and attorneys and any of their office support staff are welcome to attend. Subject to space availability, the workshop will be held in Statesville, N.C.; otherwise, it will be held in Charlotte, N.C.

The trustees anticipate a three to four hour program and plan to discuss any Chapter 13-related topics that may be of interest to the attendees, including case filing considerations, plan preparation, the confirmation process, post-confirmation matters, including payment of base and nonbase attorneys fees and discharge/dischargeability issues.

Any attorneys that may be interested in attending the workshop are asked to notify the trustees by email at [wtadlock@ch13clt.com](mailto:wtadlock@ch13clt.com) no later than August 20, 2011 and indicate the number of persons from their offices that plan to attend. The trustees also request that the attorneys include with their responses any particular topics of interest that they would like to see discussed at the workshop.

Once all responses have been received and plans for the workshop finalized, notice of the details of the workshop will be provided by email to all prospective attendees.

Thank you for your interest in the workshop.
